## TREE & BENCH MEMORIAL PROGRAM

### TREE PROGRAM

The cost to donate a tree memorial is \$450.00 which includes the purchase and planting of the tree, online recognition, and maintenance for the life of the tree. Donations can be made year-round, although trees will only be purchased and planted during the Spring and Fall seasons. The Parks & Recreation staff will be of assistance when choosing the tree species and location within a City Park. A one-year warranty along with routine maintenance throughout the first year is guaranteed by the City. After the first year, if the tree becomes damaged or diseased, the tree may be required to be removed and will not be replaced. Once the tree has been planted, the Parks & Recreation staff will mail a letter notifying the donor of the location of the tree.
